FEES FOR FINAL YEAR OF DOCTORAL STUDY

Academic fees for doctoral students in the final year of their program are pro-rated based on the 12-month academic year. Incidental fees are charged on a sessional basis. Doctoral students are charged for the full year but may choose to pay:

- 1) The full fee. In the event that the student is not registered for the full year, a refund will be issued for any overpayment after the final thesis is submitted to SGS.
- 2) The minimum first payment indicated on the student's Fee Invoice on Acorn.
- 3) The fee based on the expected date of completion. For example, a PhD student in year 5 (before time-limit) who plans to complete prior to December 16, 2022 will pay approximately \$3,990 according to the 12-month schedule. (This figure is based on the 2021-22 Fee Schedule.)

Fees will be adjusted based on the date that the student submits their final, corrected thesis to SGS. It may take several weeks for the adjustment to appear on Acorn once the thesis has been received. Please see [Final-Year Fees](#) for more information.

The student should not have any contact with the External Appraiser until the exam begins. The supervisor should notify the graduate office if the External Appraiser needs hotel accommodations.
	Student: The student submits a request to the graduate Office to approve/schedule the FOE. The request must include: <ul style="list-style-type: none"> • PhD Final Oral Examination (FOE) Request Form (pages 3-5) • Thesis approval form, signed by all committee members (page 6) • External appraiser's CV • Abstract (as a separate document; formatted correctly)
	Graduate Office: The Graduate Chair approves the external appraiser. The graduate office will submit the external appraiser and examination committee to SGS for the approval by the Vice-Dean and will schedule the exam date/location with the SGS Doctoral Exams Office. (Most FOEs take place at the School of Graduate Studies, 63 St. George Street.)
6 weeks prior to FOE	Student: The student submits an electronic copy of the thesis to the graduate office. The student is required to inform the graduate office if a print copy is requested by the external appraiser or examiners. If so, the student will be responsible for providing one to the graduate office. The program will cover the cost to mail a thesis to the external appraiser or examiners by courier. If the thesis is not available a minimum of 6 weeks prior to the exam date the exam may be cancelled. (Producing Your Thesis: https://www.sgs.utoronto.ca/academic-progress/program-completion/producing-your-thesis/).
	Graduate Office: The graduate office will send the examiners a confirmation of the exam (date, time and location and other details) and distribute the thesis. (The student is responsible for providing supervisory committee members with copies of the thesis.)
2 weeks prior to FOE	Graduate Office: The appraisal is due to the graduate office. The graduate office will forward the 1) program, 2) abstract and 3) appraisal to the exam committee. The graduate office will also send an FOE announcement to the department including the abstract.
2 days prior to FOE	Graduate Office: The graduate office will forward a final reminder to the exam committee.

The student must submit their final, approved thesis online. (Electronic Thesis Submission: https://www.sgs.utoronto.ca/academic-progress/program-completion/electronic-thesis-submission/). *The Graduate Office does not require a bound copy of the thesis.*
	Supervisor/Examiners: Once corrections have been reviewed, the supervisor (or convener of the exam subcommittee for minor modification) will confirm in writing to the SGS Doctoral Exams Office (sgs.doctoral@utoronto.ca) and the graduate office (psy.graduate@utoronto.ca) that corrections have been satisfactorily completed.

Thesis publication: Your thesis will migrate to [T-Space](#) a few weeks after convocation, and will be available online. It will have priority in major search engines. It will also appear in the U of T Library catalogue, and in the thesis collection of Library and Archives Canada, and in ProQuest.
